

MWP Everyday Mask

Disclaimer and Limits of Authorization and Use

The CDC recommends wearing a face covering as one way to address the spread of COVID-19. The CDC recommends that social distancing, handwashing, and other recommendations be followed even when face coverings are worn. For more information, please visit www.cdc.gov.

Individuals with lung diseases like emphysema, or chronic heart disease, should only use this product in consultation with and as advised by a primary physician or other qualified health professional.

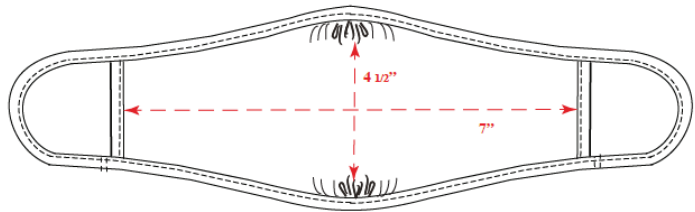

Stop using this product if you notice difficulty breathing while wearing it.

This mask does not replace personal protective equipment such as N95 respirators used in healthcare settings and should not be used in healthcare settings.

If skin irritation occurs, immediately stop using the mask; if irritation persists, consult your primary care provider.

The product has not been FDA cleared or approved, has been authorized by FDA under an emergency use authorization for the use by the general public to help slow the spread of the virus during the COVID-19 pandemic. This product is authorized only for the duration of the declaration of the COVID-19 pandemic unless the CDC authorization is terminated or revoked sooner.
